## Become an Old Abe Booster today!

Since 2000, the Old Abe Booster Club has donated, on average, \$70,000 annually to support Memorial High School athletics. To reach our goal of \$90,000 of giving this year, we need your help. Each year the OABC supports our 600+ student athletes playing on 46 teams competing in 23 sports, by providing each team with items school district funds do not cover. Team uniforms, essential sports equipment, the year-round Strength and Conditioning program as well as coach-requested, crucial training equipment are all supplied by the OABC. We need your financial and volunteer support to continue the strong athletic tradition at Memorial High School.

Your generous support of the OABC is truly appreciated. It is the generosity of our Boosters that allows all students to have the opportunity to participate in Memorial High School athletics. Thank you for your contribution!
